THREE DECADES of Legacy and Excellence

Shaping Futures, Inspiring Minds

KIST is a premier institution for students aiming to excel in Science, Management, and IT—offering outstanding +2, Bachelor’s, and Master’s programs. Renowned for academic excellence, the College consistently delivers exceptional results across all levels, with university toppers and distinction holders reflecting its uncompromising commitment to quality education. Many graduates return to KIST for higher studies when their chosen subjects are available—a testament to the trust and satisfaction it inspires.

Education at KIST is truly transformative. Our student-centric approach combines academic rigor with hands-on learning, project work, workshops, educational tours, and a vibrant campus life—all within a serene, supportive environment. We focus on building not just knowledge, but character, life skills, and professional readiness.

With a global alumni network making their mark across diverse industries, KIST stands out for its innovation, social responsibility, and environmental consciousness—pioneering sustainable practices like QR-coded prospectuses and reduced paper use in daily administrative works.

Choosing KIST means becoming part of a future-focused academic community that never compromises on quality. It’s more than a college—it’s a launchpad for success in an ever-evolving, competitive world.

Studying at KIST was a transformative journey. Coming from outside the valley, I was initially overwhelmed, but the supportive faculty and the disciplined yet welcoming environment helped me gain confidence and clarity. I'm thankful for the strong foundation that led to my IOE scholarship. KIST is ideal for science enthusiasts.

Aakrit Baral
IOE Pulchowk Campus (Alumni)

KIST gave me a strong academic base and soft skills through its structured curriculum and co-curricular focus. Supportive teachers and a disciplined environment helped me grow. I'm truly thankful for my time at KIST—it prepared me well for life ahead.

Aaisha Chaudhary
Internship at Google (Alumni)

KIST shaped my academic and personal growth with its supportive faculty, values-based education, and vibrant learning environment. I gained confidence, discipline, and resilience. The college's guidance helped me succeed in B.Sc. Nursing and become the person I am today.

Arti Sapkota
BSc Nursing (Alumni)

KIST made my +2 journey fulfilling with its peaceful setting, excellent labs, and motivated faculty members. Through academic and other programs, I gained confidence and improved for entrance exams. I'm grateful to KIST for shaping my future and highly recommend it.

Bhim Bahadur Bohora

Information Technology

Digitize to Be Ahead: Shaping Future IT Leaders

In today's world, IT is the gateway to a rich digital universe. At KIST, we offer hands-on IT projects and workshops to enhance professional skills and secure bright futures. With cutting-edge facilities and global career opportunities in development, design, and more, we prepare students to lead in tech.

Imagining

Be Creative Creators: Imagine, Innovate, Inspire

We encourage students to be creative creators, shaping a positive future through innovation. The "Imagineer" concept empowers students to turn imaginative ideas into practical solutions using science and technology. By fostering a spirit of optimism, we inspire young minds to transform challenges into opportunities for growth.
