KIST College of Information Technology

Purbanchal University Affiliated

PO Box 20828, Kamalpokhari, Kathmandu, Nepal
Tel: 4534990, 4534178 | Email: info@kist.edu.np

Since 2002

An Extra Edge

KIST provides a broad array of non-credit inputs for its students throughout the semesters. These non-credit inputs supplement the regular classes as they meet the diverse learning needs of students and improve their employability. Moreover, these additional inputs build technical competencies, problem solving abilities, and managerial skills.

BIT.
Bachelor of Information Technology

Semester	Trainings / Projects

What Our Graduates Say

Sushant Manandhar
Associate Developer
DarshanTech, F1Soft Intenational, Batch 2018

Education here is more than just textbooks . . . KIST strongly emphasizes pragmatically preparing students as qualified IT professionals. Responsive, expert teachers assist hugely in our acquiring knowledge & skills while encouraging the explorative understanding of technical ideas. Besides, CCAs and ECAs markedly improve interpersonal interaction.

Roshan Shrestha
Software Engineer
RiseKit, USA, Batch 2016

The most remarkable thing about KIST is its people. Its highly qualified teachers are extremely supportive and accessible. With its well-equipped labs and projector-equipped classrooms, it's the best place to kick off your IT career. I'm a happy member of KIST's family of achievers.

Chiranjivi Neupane
Software Engineer, Central Nic PLC
Australia, Batch 2014

KIST's an ideal educational institution for knowledge seekers. Here, amazing lecturers, top-class facilities, and a sound environment enable students to learn and shape their professional lives. The College helped me understand the value of knowledge and its importance in life. My dreams were fulfilled . . .

Mohammad Faijan
Senior Software Developer
Nobel Idea Solution, Batch Topper 2015

Welcome to KIST: a unique platform of enriching exposure and energizing experience! Education here has total relevance to real life. That's why KISTians do so well in every way. The College offers everything needed: academic support, computer labs, library, and general facilities – all superb!

Purushottam Shrestha
Associate ML Engineer
Fusemachines Nepal Pvt. Ltd., Batch 2017

KIST focuses on knowledge and skills – grades and application – equally. Fortunately, I joined BIT here. Learning different programming languages, doing exciting projects, and getting academic support considerably boosted my confidence. Like my peers, I got an internship followed by a software engineer's job while still studying! If you wish to succeed, KIST BIT is perfect.

Sijan Gurung
Developer/Consultant
Bouvet ASA, Norway, Batch 2004

Searching everywhere for the right place for information management, programming, and networking, I found KIST . . . An exceptional college, its Bachelor of Information Technology is indeed a great choice! A fantastic learning experience, this programme paves the way for solid careers. Knowledge-cum-Discernment defines this reputed institution. Studying here is a perfect chance to accomplish much professionally.

Puspa Raj Poudel
Senior Laravel Developer
Intopros Technologies, Batch 2014

KIST College provides a sublime scholastic environment with emphasis on practical, modern education rather than on theoretical, bookish learning. They concentrate on extra courses for IT students. They also organize personality development programmes. Students can directly interact with its motivating, experienced faculty or wise, efficient management. That is what we get here: Everything you need!

Isaac Shrestha
Software Engineer
SpreeTail, USA, Batch 2009

Choosing the right institution for undergrad studies is vital for our future. Pursuing BIT at KIST, honestly, is the best decision to make. It's a stepping stone for careers in IT anywhere. Personally, I spent my happiest days here, and developed strong relationships with my peers, faculty, and staff. Join KIST to achieve your goals!

Bhola Kaji Niraula
Senior Software Engineer
Healthdirect, Australia, Batch 2010

KIST brings us closer to our professional dreams. Alongside an excellent faculty and management team, its support services and fine resources are ideal for sincere scholars. Every BIT student profits greatly from their modern facilities like high-speed internet connectivity and well-equipped computer labs. The College imparts real industry knowledge. Certainly, it produces world-class software developers!

Ashmita Poudel
QA Engineer
Cedar Gate Services Pvt. Ltd., Batch Topper 2011

What constantly impresses us about KIST College are its faculty members and teacher-student relationships. These relationships make students comfortable and embolden them to accept intellectual challenges. Truly caring, teachers here are really brilliant which furthers academic excellence. Also, KIST has first-rate facilities embedded in a dynamic, sound environment. It's just the place for true learners.

Suman Dhungana
Senior IT Technician
Nepal Airlines Corporation, Batch 2007

The day I walked through the gates of KIST, I saw my future! What I am now wouldn't have been otherwise possible . . . Unimaginable is the absolute commitment of their faculty and staff! Unforgettable too are my memories. I'll always be indebted to this outstanding college for what it did to nurture the professional in me.
