Delivering the Best!

Online Learning alongside F2F studies

The educational realities of a post-COVID global society that have affected each country, Nepal too, have continued to emphasize effective learning for student attainment with notable additions. These empowering features necessarily incorporate online learning blended with F2F studies. This is how KIST, a modern college with a splendid physical establishment in central Kathmandu, has been successfully conducting classes at all levels: +2 (Science/Management), Bachelor's, and Master's.

What really matters is the vibrancy of online teaching-learning at our pragmatic College. Although initially many students longed for earlier days, full of textbooks and sheets-of-paper, once virtual learning was applied, these youngsters, technically savvy, took to it as fish take to water. So did the seasoned teachers, and staff members, with a new-found magic wand. Outcome: splendid academic achievements complemented by extracurricular & co-curricular accomplishments!

Global change – social distancing and lockdowns – has permanently altered educational equations. COVID-19, a massive continuing challenge, has become a real responsibility for us. We stand committed through collective action to strengthen education by better connectivity and access to knowledge. This has opened up new valuable opportunities for KISTians as we continue to support their academic targets, and help them discover professional pathways towards their career goals.

Most prospective students know how this reputed and long-established educational institution functions! Effective managers and excellent teachers deliver qualitative, internationally relevant higher-level education here. Notably, we invariably honour merit with scholarships at different stages. Educationally sound, the student-centred College has a unique ethos with matchless facilities including a safe, state-of-the-craft infrastructure alongside a strong IT network. KIST's resources for distance learning, especially online classes, are top-class.

Despite traditional classes being halted now and again during lockdowns, our alternative modes of learning have triumphed. In fact, we've promoted student online participation by inviting debate, engagement, and action. A number of extracurricular and co-curricular activities are available online. As per the new curriculum, project work and practical work plans have been executed for effective learning. We value the teaching profession, and encourage teacher collaboration.

Overall, our performance and achievements continue to win us public acclaim; most College results have been remarkable during these difficult times; furthermore, our students very often become Board or University toppers. Significantly, KIST alumni continue to obtain fine placements and do well professionally globally . . .

Study uninterruptedly – Study here at KIST

Change for the best is our tradition.

Science & Technology

SciTech & the Future

We are most keen to make the educated youth aware of the revolutionary soft-power of blended learning to manage praiseworthy goals in a scenario marked by ceaseless SciTech developments worldwide. We encourage an open-minded global outlook linked to a patriotic spirit.

We make use of available productive resources to enhance course knowledge so as to promote sustainability and thrift. Our scientific approach to education – Innovate & Advance – informed by international benchmarks is linked to our focus on practical learning.

Fascinatingly, campus life at KIST throughout the academic session is a flurry of extremely gainful SciTech activities. Such goings-on sustain student learning through persistent involvement in study, creation, and discovery.

KIST's Fourth Inter-College Science and Technology Project Exhibition & Competition, December 8, 2018 offered a vital chance to our bright students to prepare academically useful projects. The event was well-received sending ripples of encouragement to the student body of Kathmandu.

Society

Serving Others

Just as you'd like to do, our students happily take the initiative when any social work is required. In reality, KIST students are known for their deep and sincere commitment to meaningful & proven social work. The KIST community believes in serving society, especially the needy including disadvantaged school children.

Since social responsibility is one of the main objectives of good education, we noticeably value social work. We forever motivate our more-than-willing, compassionate students to be involved in diverse social activities including environmental protection or animal care during each academic year. The explicit purpose of our Social Club is: Inspire; be inspired!

Management

Knowing for Doing

The College focuses on appreciating the breadth and depth of scientific knowledge applicable to management practice and its relevance to students’ lives and progress. Informed decision-making, the key to professional managerial success, comes from the best available knowledge, and is utilized for your benefit.

We believe in pursuing managerial excellence so that our students can do really well later. KIST Management EXPOs are grand platforms to tap student talent & showcase institutional promise. They enable a right mix of theory & practice building up students’ information base.

We nurture top entrepreneurial skills, and a sound work ethos. It is necessary for would-be professionals like you to develop a global perspective as you endeavour to choose specialized areas for studies for appropriate careers in order to assume leadership positions by innovative practice.

Choosing the Right Way to Do Things!

Business

A World of Business

We empower our students like you through ample exposure & the latest learning that this is a world of never-ending business with unimaginable opportunities present in everyday challenges or even risks. Accordingly, KIST’s institutional activities focus on inculcating a sharp business sense in its students.

Professionals, you ought to know, succeed if they keep the business angle at the core of their approach: The purpose of a product, its promotion, and the customer. Today’s knowledge economy is relentlessly money-driven, profit-inspired & production-based though increasingly influenced by ethically creative practice & environmentally sustainable action. Business success is all about thriving enterprises, small or big, home-based or firm-embedded, real or virtual.

Innovative Marketing

Information Technology

Virtual Reality

Who can imagine a world without IT today? Indubitably, Information Technology is the highway into an unbelievably rich digital micro-universe. Drones, robots, and Artificial Intelligence are vital components of modern man's mindscape.

We conduct extremely practical IT project classes and workshops throughout the year to enhance professional knowledge and to create an assured base for student careers. This is where KIST is way ahead because of its magnificent IT set-up and the effective IT courses.

The moment you join an IT course at an esteemed institution like ours, you're certain to have a bright future since the demand for IT developers in the global market is high. Similarly, designing, development, network, database, system admin, or it marketing have a global scope and employability.

Unmistakably, the joy of being an IT student and making a fine career out of it is what the youth wants presently. Our practical approach sharpens the knowledge of our budding professionals and trains them through ample practice how to do IT tasks in a real-time environment.

Digitize to Be Ahead

Be Creative Creators

We greatly encourage students to be creative creators. Our goal is to transform the thinking pattern of KISTians: To introduce our students to a world of wondrous ideas signifying man's achievements as they step into a productive future, the predictable challenges on the way, and the hope of a peaceful and unified world.

The novel idea – Are you an imagineer? – was introduced by us in the KIST Fair 2016 especially for the benefit of young scholars. As you might know, an imagineer is a person, probably somebody like many of you, who can skillfully devise and implement new or creative ideas by using scientific knowledge or technology. Imagineering, the implementing of creative ideas into practical form such as concrete projects or models, transforms negativity into optimism. This has a profound impact on young learners.

CCAs

Expand Your Mind

CCAs shape the intellectuality, personality, and academic worth of a scholar. Co-curricular activities at KIST are a compulsory, and vital, bridge between your academic accomplishment and extracurricular activities. They boost social interaction, leadership, healthy recreation, self-confidence, self-discipline & scholasticism.

These activities definitely lead to higher academic results & stronger relationships. CCAs foster a sense of belonging to the institution resulting in a happy & cohesive community of learners prepared to cope with a tough world. Participants tend to lead healthier & more active lifestyles.

Modern education aims to foster all round development of a student – mentally, physically, morally, and socially. A co-curricular activity is an opportunity to cultivate the skills and non-academic abilities so a balance needs to be struck between the syllabus, curriculum & textbooks and directly related CCAs.

Intellectual Engagement

Arts & Crafts

Artistic Creativity

The College belongs to a land extremely rich in traditional arts and crafts. Education at KIST takes this salient feature of our national ethos into account. Moreover, arts and crafts are linked to the holistic upgrading of a student's mind, personality, and life-skills. Art is the blossoming of true, not artificial, education.

We let you exhibit your hidden talent by providing ample aesthetic opportunities. Art develops the creativity of most students. During this academic session, we organize different programmes in which interested students enthusiastically take part.

ECAs

Be Healthy

Today, ECA records are carefully considered by admission officers in colleges or universities for placements including scholarships & by potential employers for job selection. We actively encourage student participation in ECAs so that our youngsters can tap, and display, their talents.

We wholeheartedly support all forms of traditional or emerging ECAs. This ensures personal growth. Curricular activities – studies – remain incomplete without extracurricular and co-curricular inputs. Consequently, varied ECAs are conducted throughout the year at KIST.

Both Work and Play Matter

Sports

Competitive Spirit

KIST is extremely keen on sports and games as they hugely impact the overall development of students. We need to remember that sports and games make you fit and strong, energetic and quick, alert and fast to take on the challenges of a world where both speed and accuracy of the body and mind go hand-in-hand.

In importance, sports parallel education in life as physical fitness is extremely necessary for everyone, particularly youngsters. Healthy students can work hard and study well. You'd be delighted to know that some, or the other, sport-related activity is consequently a permanent fixture of the daily schedule of the College.

A Spirit of Healthy Competition

Literature

Yet to be Written

We give special importance to literary work at the College, an institution that respects national heritage – literature is one such outstanding facet of Nepalese culture. We always encourage our students to get involved in literary writing. On occasions, we invite renowned literary figures to inspire you. Year round, we organize numerous literary programmes.

Read – Read – Read. Be anything. Go anywhere. No borders. Yes! Indeed. This is what KIST is all about. We cherish literature . . . Literary creation pictures society. It is truth and beauty at the same time. This is why Literature is the highest form of writing as an art or craft.

Fairs & Exhibitions

We showcase our unique model – a fusion of the triad Science & Technology, IT, and Management – which is undoubtedly a powerful admixture for individual, institutional, social, and national development.

Students adopt an inter-disciplinary approach during these occasions to enhance discovery & innovation for urgent national needs. KIST FAIR, at our spacious premises had Science, IT & Management Exhibition & Competitions, inter-college & intra-college.

Event Highlights

- Inter-College Science & Technology Projects Competition
- Inter-School Art & Craft Competition
- Intra-College Science & Technology Projects Competition
- Intra-College IT Projects Competition
- Intra-College Management Projects Competition
- Intra-College Imagineering Competition
- KIST Counter-Strike Competition
- KIST FIFA Competition

KIST College provides a friendly atmosphere for the teaching and learning process. Its teachers are well-experienced, considerate, and encouraging. The best thing that students find at KIST is the individualized nature of looking after each one which helps students to develop a positive attitude towards studies and improve their grades substantially. Its cutting-edge infrastructure is most laudable. So, I can confidently say that KIST is the best place to make you into top students and suggest you to join post-SEE.

Keshav Dhami
IOE Scholarship Holder

There are some temples of learning, where educators are like parents to us and where progress is striking. This college happens to be one. In my case, I got a mere B+ in SLC, moved up to an A in Grade XII, and finally cracked the BPKIHS entrance examination getting a prestigious scholarship: Honestly, all because of KIST. Success here is a tradition. Its environment is enchanting, benevolent, and positive. This institution is a real blessing to all aspiring students!

Sahil Niraula
BPKIHS Scholarship Holder

My best decision's been to join the KIST family. Perfectly managed, this College, a second home for me, has an inspiring environment making huge differences in students' lives. Our hidden talents get unfolded as we develop holistically!

Aashish Pokhrel
Science Batch 2077

Truly, I feel so honoured for the guidance of the respected teachers of KIST. With top study materials, a congenial learning environment, and ideal infrastructure, the College provides its students with all the necessary academic resources for doing +2 faultlessly. If you want a head start in academics, choose KIST.

Manoj Joshi
Science Batch 2075

Studying her, I learned the 3 important P's of my life: Patience, Passion, and Positivity. I have learned to make good decisions and become more confident. In short, I have become a better version of myself and a more complete person. It has indeed been a wonderful journey at KIST!

Priya Gurung
Management Batch 2074

Why I like KIST and want others to study here is because of its unwavering commitment to quality education and its practical approach to learning. In particular, I was fascinated by the hard work of the College administrators and teachers towards making our thinking sharper and our studies more absorbing.

Prabesh Gyawali
IOE Scholarship Holder

Completing the syllabus subject-matter with its associated practical work and using the best materials are key features of KIST. The College balances the curriculum and non-academics skillfully which makes students enjoy all college activities and derive full benefit from this intelligent fusion. Days here are wonderful and the gains stupendous!

Oshan Kharel
IOE Scholarship Holder

Enquire, endeavour, excel – three important words – governed my student life here. Under highly effective and determined supervision, I got the rare chance to flourish. The KIST family is one connected through the pure, lasting process of teaching-learning.

Aniket Rauniyar
Management Batch 2076

Learning and its assimilation are what students expect when they join any academic institution, and KIST creates just the right environment for this to happen by inspiring students and adopting different methods to enhance understanding, learning, and retention. And this effort is what makes KIST a different, and better, college.

Sujata Khadka
Management Batch 2074

Excellent for secondary studies, the College has well-developed infrastructure, well-equipped physics, chemistry, bio, and computer labs, and a digitalized library on its premises. The learning environment is peaceful. Hardworking, sincere teachers ensure clarity and subject matter assimilation.

Suchana Bista
Science Batch 2077

High-profile and well-maintained, KIST offers all the essential collegiate amenities, including hostels. Centrally located, its campus is spacious and serene, and its infrastructure of international standards. Classrooms are clean and airy while their teaching and management matchless!

Dristanta Acharya
Science Batch 2077

Committed to excellence, KIST is a top institution for teaching-learning activities due to its well-qualified, responsive teachers. Academically, and socially, my time here was incredible. The College, with its fine facilities and up-to-the-minute study resources, gave me a great platform to launch myself successfully in academics and life.

Sabin Shrestha
Science Batch 2075

Nostalgia describes my splendid experience at KIST. This is where I really bloomed with all the great guidance of considerate and innovative teachers in a pragmatic learning environment. Blessed in choosing an extraordinary college, I'm a proud KISTian as it satisfied my scholastic curiosity in a tranquil way.

Subash Lamichhane
Science Batch 2075

Joining this celebrated college became my wisest decision. It's so rare to see such an amazing laboratory, well-stocked library, and delightful environment in a single institution. Its teachers taught me much, and its educators transformed me into a better person and a successful member of the KIST family.

Ponika Bhandari
Science Batch 2075

KIST runs an excellent + 2 program . . . Its classroom environment, co-curricular engagement, and qualitative study materials are all perfect for the overall development of students, and supportive teachers always make them feel comfortable and wanted. You too would be most fortunate to get such a flawless teaching-learning atmosphere.

Brajin Jayana Shrestha
Science Batch 2075

KIST opens avenues of hope and doors of possibilities for students. Our analytical calibre, critical thinking, and innovative skills are nurtured by interesting, courteous teachers. Fostering self-esteem and academic competitiveness is the hallmark of this top College.

Bijay Jirel
Science Batch 2077

KISTians think extremely positively about their alma mater. It's impossible for students to get such deep knowledge proffered through such a kind approach elsewhere. Even during this pandemic, KIST continues to give the finest possible education online.

Ujjal Man Sakya
Science Batch 2076

Personally, KIST with its careful guardianship and generous encouragement supported me like nothing else. Under its umbrella, I learned to become good if not great, and passionate about academics. Its lasting legacy is matchless – ideal location, fantastic faculty, modern furnishings, endless books, and latest equipment – reflecting institutional strength.

Nawadeep Singh Basnyat
Science Batch 2075

Nostalgia describes my splendid experiences at KIST. Boosting our knowledge and personal growth, the College fulfills our indispensable needs through its incomparable academics, need-cum-merit-based scholarships, and vibrant ECAs. It's a bridge between now and a happy future!

Aaisha Chaudhary
Science Batch 2076

Post-SEE, many sincere students seek to ignite their scholastic passion somewhere . . . KIST offers the familial warmth of supportive learning, builds up their self-confidence, and connects them meaningfully to lifelong education. It's an opportunity-studded platform to develop talent.

Lhamu Doma Tamang
Science Batch 2076

Joining the right institution matters tremendously for a bright future. Joining KIST has been my best decision till date because of its fine facilities, tranquil environment, academic knowledge, and proficient management. Joining KIST means the realization of your expectations and your becoming a welcome member of their Family.

Mandip Mudvari
Science Batch 2076

KIST stands out from the rest of so many popular institutions in Kathmandu that impart quality education. Its rich academic environment boosted by supportive, accessible teachers, and its wide-ranging extracurricular activities are unrivalled. Frankly, it was a matter of relief in having opted for the best available college.

Aashutosh Kumar Shah
Science Batch 2076

Really, students from outside Kathmandu valley find it hard to get to the right college. Look no further: The fantastic academics and extracurricular activities at KIST will surprise you! I've been ever so lucky to choose KIST.

Ashutosh Shah
Science Batch 2076

Education is Life – Life is Education

Educational Approach

Our approach largely nurtures a rigorous yet engaging curriculum, inquiry-based teaching processes, and an institutional culture that inculcates compassion & responsibility in students as they grow into good citizens & top professionals. Such a purpose-oriented, integrated set-up greatly helps its functioning as a premier scholastic institution dedicated to its students as they march towards rewarding careers & lives that matter.

We support the provision of high quality education of the latest international standards carefully linked to the delivery of the university or national core curricula and to provide progressive academic inputs in keeping with a changing world alongside traditional pedagogy. KIST offers a matchless learning environment focused on students' learning goals.

Societal Context

In a societal sense, our learning environment caters to the culture of the population it serves and of their location, and we take care to identify our audience. As far as this cultural context goes, we are a multicultural community of students and education-related personnel. Our students come from many different cultures, and even countries. This inclusiveness reflects our global spirit & humanistic commitment.

We see to it that no student feels uncomfortable or unwanted here with us and that each one of them is treated with dignity, appropriateness, and decorum. Ladies and gentlemen study together in a community of the best-behaved youngsters our country offers. This is what we do; this is what we are.

Learning Environment

Once you're at KIST you'd soon realize that its educational approach is exceptional. We provide a 21st century learning environment – learner-centred backed by modern digital technology that is largely internet-based. It's the foundation for holistic individual development.

Our learning culture takes into account how students would prefer to interact and how teachers ought to facilitate learning. Positive discipline & pastoral care in an atmosphere of decency enrich the academic milieu that encourages active learning.

Teaching-Learning

Our pedagogy & learning styles incorporate blended learning & progressive education. They guide the operational characteristics of the instructors who do their best for the optimization of individual academic performance & development of top-class professionals here itself. Alongside wide-ranging co-curricular and extracurricular activities, we offer many vital professionally-relevant and futuristic activities enhancing the professional or career prospects of the student community.

The educational and organizational culture of the College is evident in its way of thinking, behaving, or working. Our practices and values guide, and unite, our educators, students, faculty, staff, and community. We support an excellent independent learning institution with a departmental organizational model that attracts high-calibre teachers. We offer safe, secure, and comfortable facilities to reinforce learning.

Physical Setting & Learning Spaces

Our soundly constructed purpose-oriented buildings & learning spaces play a strong role in effectively impacting student learning. The adjacent spaces, or the outdoor environment, of the College are superb. We overlook the picturesque Kamal Pokhari and can enjoy its fresh, refreshing breeze. This aspect potentially improves health & well-being and fosters improvements in learning retention. Also, distant views of nature – the panorama of hills encircling Kathmandu – help relax eyes engaged in close work, such as on computer monitors. Though located downtown, KIST is undisturbed by the city hustle and bustle & heavy traffic.

Our well-organized infrastructure contains well-lit, ventilated, quiet classrooms and well-equipped laboratories that are reinforced by a well-stocked library that has also been digitalized and now performs quite a few functions of an e-library so necessary for virtual learning. There are sports courts and ample, uncluttered areas for students to utilize for academics, CCAs, and ECAs, and for the College to use for its varied, popular, regularly-held events. We do ensure that our learning spaces focus on developing 21st century skills & competencies to support the learning of core subjects.

Education defines us – Education defines our future

I'm glad that I chose KIST which has provided me a great platform to learn and excel in my studies. Their mentoring laid the foundation of my academic career. To make your dreams come true, join KIST.

Shusant Kumar Mahato
Science Batch 2076

KIST focuses on the total development of its students in order to make them competent, qualified, and disciplined. It provides across-the-board scholarships to admit deserving students, reduce financial burden upon their families, and to motivate them. This well-administered College with state-of-the-art resources fully reflects its well-known commitment to excellence.

Ngima Sherpa
Management Batch 2076

KIST fully satisfied my desire to study at the best of all the good colleges of Kathmandu. Situated near a beautiful pond, with its cutting-edge infrastructure, great facilities, caring administration, and devoted teachers, this College is undoubtedly unique. Most responsible, it keeps us target-focused and nurtures our careers.

Bishwash Lamichhane
Management Batch 2076

In the centre of Kathmandu lies KIST, a prestigious college with a peaceful environment providing matchless education and counselling. It invariably brings out the best in its students. It works regularly online even during the Covid-19 pandemic!

Pragati Kuikel
Management Batch 2076

It's an honour studying at KIST! Here, you get a great education lasting a lifetime, and opportunities empowering you to shape your future. Besides, remarkable student diversity makes it one of the most exciting learning environments anywhere.

Aditi Khanal
Management Batch 2076

Pastoral care and focused mentoring at KIST helps students to achieve their academic goals, professional needs, and purpose in life. The environment encourages positive discipline, makes us realize our responsibilities, and keeps us focused on our work. We are comfortable and satisfied the way they treat us here.

Sandesh Baniya
Management Batch 2075

KIST admits you as a beginner and makes you an expert . . . Through dynamic education, it shows the path to light, and through academic freedom, provides a bridge to achieving dreams. Who isn't proud to be a KISTIAN?

Anwasha Pathak
Management Batch 2077

Outstanding is the welcoming nature of this College where we are free to express ourselves and satisfy our scholastic needs! KIST guarantees a bright personal and professional future of its students. The collegiate community fully supports us.

Atika Zahir
Management Batch 2076

KIST, a perfect combination of vision, optimism, intellectuality, and guidance, made me a capable, positive individual. Well-supervised, it's just the place, with a serene environment, to uplift us by tapping our potential and enhancing our self-assurance. I graduated as someone ready for the challenging world ahead: Thanks KIST!

Sonali Shrestha
Management Batch 2075

KIST's a responsible guardian of each student studying there. My years here were most fruitful as it's where we learn every day whether through studies or through ECA and CCA activities. I'm proud to be a KISTian!

Niroj Mote
Science Batch 2076

KIST College is the finest platform to build your career! It provides superb facilities: a modern, well-stocked library with e-technology and well-equipped laboratories serving all learning needs. The College shaped a beautiful and secure future for me.

Sadikshya Adhikari
Science Batch 2077

When it comes to choosing a +2 college, KIST poses no dilemma! Most impressive indeed are its friendly environment and quality education. This is the best place for students wanting to do something good, new, and different . . .

In Focus

Memorable Valedictory

KIST College organized the Graduation and Farewell Programme for its graduates of +2 Science & Management, BBA, BIM, BIT, BBS, MBS, BSc & MSc Microbiology on Sunday, 9 February 2019 at the College premises. A delightful Cultural Programme regaled everyone!

A solemn yet warm valedictory, this programme offers keynote addresses by eminent academicians who highlight educational, career, and life prospects. The KIST Scholar Awards & Subject Topper Awards are given on this day to achievers.

Orientation Programmes

In particular, these programmes held at the beginning of each academic session inform newly admitted students adequate information so as to fully utilize their time. Information about the rules & regulations and about the overall system makes students comfortable and familiar with the College environment. For us your welfare is uppermost!

Orientation Programmes inform students about why & how the subjects they have chosen are important in their educational life. They are also introduced en bloc to the faculty & staff. Different programmes are organized for +2 and graduate level students.

Career Guidance Symposium

KIST College organized a Career Guidance Symposium on 11 January 2019 for Science stream and 14 January 2019 for Management stream students at its Conference Hall. Experts guide Grade XII students regarding career prospects.

We, as the KIST family, put our heart and soul into all such group or institutional activities at KIST. The main objective of popular events is to provide enjoyment – learning with fun – to students. Such exposure is the mainspring of a wide, generalized liberal education within which specialized focused professionalism is best embedded.

Youngsters here get together to show their talent and exchange their experiences. All opportunities are given to students to develop a sense of civilized socialization necessary for achieving the goal of progressive, global education along with building up a newer & richer Nepalese society.

Talk Series: Learning, Motivation & Careers

Importantly, a series of talks is held every year on Learning, Motivation & Careers for Grade XII (Science & Management) & Bachelor-level students (BBA, BIM, BIT, BSc & BBS) to inspire them.

Students enjoy listening to enlightened minds. In fact, such talks are a regular feature at KIST.

Teachers' Day Celebration

Respecting the guru – the teacher – is an integral part of our scholastic culture.

To celebrate this sacred occasion, KIST usually organizes cultural programmes at the College.

PTMs for Student Success

PTMs are conducted thrice in an academic session on result publication days of the Terminal examinations of Grade XI & XII. Teachers, students, and parents or guardians interact to find out the strengths and weaknesses of each KIST student present and try to find quick, lasting, effective solutions to problems, small or big. Based on discussions, counselling is made available then or later.

Parental involvement is the key to assured student output. In addition to inviting parents and guardians frequently to informal meetings, sessions, events, get-togethers and feedback sittings, we focus on systematized Parent-Teacher Meetings at the College so that the youngsters can be guided fully and supported positively.

Publications

Encouraging Scholarship

Our publications are intended to support and activate student learning apart from disseminating knowledge to the student body at the College and in Nepal.

Our publications reflect KIST's clear-cut academic profile. These include KIST Newsletters and our magazine Outlook. Learned articles by experts give our Newsletters a professional flavour.

Noticeably, KIST Research Review, a scientific journal for original research articles & review papers, is another remarkable work being done by our Publication Division.

So, do have a look yourself at what we publish!
