Over the Year

Extra-Academic Input

Tutorials: The College provides regular tutorials during college hours as an integral part of its formal teaching consisting of lectures & and tutorials. Study and exam tips along with revision notes are provided.

Extra Tutorial Classes: Extra tutorial classes in particular subjects are arranged for those students who need to learn more to improve their academic performance and to do better in Term, Board, and University exams. These classes are held on selected Saturdays and vacation days as indicated in this calendar.

Medical/Engineering/CMAT/IT Preparation Classes: The distinctive synergistic teaching-learning approach of KIST has made these preparation classes vital for students competing in medical and engineering entrance tests. They are equally important for paramedical and other technical entrance tests. We also provide CMAT Preparation, CA Foundation, and General Banking Training for our students. The prep classes are held on selected Saturdays and vacation days as indicated in this calendar.

Sample Test Questions – Consultation: Students should consult their subject teachers, finally, if there is any point or question answer needing clarification or instruction.

Hands-on Learning

Field & Industrial Visits: These visits provide ample field exposure and relevant interaction to enable students to perfect their skills and master management in practice. They help students understand managerial thinking into actual project implementation and get acquainted with case studies.

Extra-Academic Input

Excursion & Field Visit: The mandatory Excursion & Field Visit is an essential ingredient of the curriculum for Grades XI and XII students.

Industry Visit	25 Mangsir & 3 Falgun (11 December & 15 February)

Material Distribution

Sample Questions Booklet: The College distributes Sample Questions Booklet containing set questions from previous exam and a few sets of sample questions paper prepared by the College. This greatly helps students to perform well in the Exam.

Homework Assignment Booklets: The College provides Homework Assignment Booklets for the whole academic year including Dashain-Tihar-Chhath vacation. The students need to submit these assignments on time.

Assignments

Regular Assignments: We insist that students complete the given homework on a day-to-day basis.

Homework Assignments: These assignments have weightage in the Term performance evaluation. This vacation ought to be utilized for as much self-study as feasible.

Academic Planner: Every student must also remember to bring his or her Academic Planner to College daily and submit it to the respective Coordinator for periodic evaluation every week.

Academic Consultation

Subject teachers are available for their students in the respective departments during the allocated time for this subject-focused consultation period just before Board Exam both for Grade XI & XII.

Academic Counseling

Parental Participation

Parents-Teachers' Meeting & Interaction: Parents-Teachers' Meetings and Interaction are held during the Results Distribution program of each Term Exam to facilitate student academic progress and to incorporate parental feedback. Parents have group-wise interaction with the Management about the performance & development of their children & wards. It also encourages discussion about better learning and enlists their active participation in college activities.

Feedback: KIST welcomes both student and parent/guardian feedback regularly to improve its services.

Monitoring at Home: As an essential feature of parental involvement, we expect all parents (and guardians) to closely supervise on a day-to-day basis their children (or wards) at home so that they do well in academics.

Grade XI & XII Parents/Guardians	11 Ashoj (27 September)
Grade XI & XII Parents/Guardians	10 Magh (24 January)
Grade XI & XII Parents/Guardians	21 Chaitra (4 April)

Academic Counseling: The College oversees students' overall academic performance during the academic session after each Term exam and provides related counseling. Parents or guardians may also accompany their wards. Both academic and personal counseling are also available to all students on demand.

First Term Performance	14 – 29 Ashoj (30 September – 15 October)
Second Term Performance	13 – 21 Magh (27 January – 4 February)
Overall Performance Grade XII	24 – 30 Chaitra (7 – 13 April)
Overall Performance Grade XI	2 – 10 Baishakh (15 – 23 April)

Career Counseling: Our Counseling covers further study options, institutional search, scholarships or grants, and career counseling. Having a career choice in mind from the beginning steers a student's search for college majors, which, in turn, guides the choice of college.

Fair & Festival

Art & Literature Festival: KIST conducts a keenly attended Art & Literature Festival to bring out the creative potential of students. Prizes are given by reputed artists & writers.

Project Day: Project Day provides a platform for Science and Management students to present their work, with selected projects getting the opportunity to compete at the KIST Fair's intra- or inter-college events.

KIST Fair: KIST FAIR has Science, IT & Management Exhibition & Competitions. There are Inter- & Intra-College/School stalls on SciTech / IT / Management / Science / Microbiology / Imagineering. This College Fair exhibits imaginative projects of KISTians and student teams of the participating colleges. It offered a fusion of the triad – Science and Technology, IT, and Management – a powerful admixture for individual, institutional, social, and national development.

Call for Projects: KIST Fair	18 Mangsir (4 December)
Deadline: Submission of Projects for KIST Fair	8 Magh (22 January)
Exhibitions-cum-Competitions	22 Magh (5 February)

Alumni Reunion: We welcome all our graduates to be with us for the Reunion. This visit to your alma mater will help impart what you have learned to your juniors and exchange your ideas and experiences with us. We can share memories, reconnect with one another, plan get-togethers, and catch up on the news of KIST.

Over the Year

Events

Welcome Program: The Welcome Program is organized by the senior students for newly inducted juniors. Senior students candidly exchange their experiences at the College and exhibit their talent in diverse ways.

Open Day: The College opens its doors to prospective post-SEE (or equivalent) students along with their parents, guardians, family members, or friends. Students will have the chance to talk about the admission process and the course they are interested in as well as see the College campus and facilities. The day offers a special program of talks and opportunities to meet our staff and faculty members along with current students and to see how this educational institution runs.

Awareness Events: These programs are designed to increase students' awareness of contemporary issues like traffic safety, stress management, health, and environmental concerns.
