Introduction

Esteemed for its guiding ethos—academic achievement for professional perfection—KIST is a special college. Its uniqueness lies in a stimulating, transformative blend of intellectuality, seriousness, and goal-orientation within one student community and campus.

Established in 1995, Kathmandu Institute of Science & Technology (KIST) has a distinguished legacy of three decades in academic excellence, dedicated to inspiring minds and shaping futures. The college offers excellent +2 (Science & Management), Bachelor's (BBA, BITM, BIT, BBS, and BSc Microbiology) and Master's (MIT, MBS, and MSc Microbiology), serving over 1,600 students annually.

Committed to quality education, KIST offers an excellent learning environment alongside an outstanding faculty,

reflected in consistently excellent results at all levels. The college features well-engineered, secure facilities and a spacious campus that supports academics alongside co-curricular and extracurricular activities, fostering holistic development. The institution also encourages students to serve society through meaningful action.

KIST combines intellectual rigor and focused determination to cultivate an environment where students refine their academic purpose and prepare for professional success. We remain committed to being the most sought-after college, renowned for unwavering dedication to academic excellence.

Dear Students

Choosing a college is a big decision, but it's more than just choosing a building; ultimately, it is choosing who you want to become.

At KIST, we don't just see students; we see future pioneers, thinkers, and change-makers. My promise to you is simple: we will value your curiosity as much as your grades. We are here to ensure that while you study hard, you never lose the "spark" that makes you who you are.

KIST stands out for its strong academics and professional approach, offering a seamless educational journey from +2 through Bachelor's and Master's programs within one dedicated community. Whether you aim to innovate in science or lead in business, we will stand beside you at every step of your journey.

As we begin this new academic session, we warmly welcome students, parents, and guardians. Together, we will continue our legacy and nurture the next generation of KISTians.

Welcome to a place where you truly belong.

Ditya Bajracharya
Principal

THREE DECADES *of*
LEGACY & EXCELLENCE

Inspiring Minds, Shaping Futures

Dear All

At KIST College, we believe in education that transforms lives and shapes a better future. With over 30 years of excellence in +2, Bachelor's, and Master's programs, we are committed to delivering quality education that blends strong academics with real-world skills and enduring human values.

Our institution is dedicated to providing a supportive, student-centered environment where learners are encouraged to think critically, explore their potential, and develop leadership abilities.

Our experienced faculty, modern teaching methodologies, excellent infrastructure, and consistent academic results set us apart. Our alumni continue to excel globally in higher studies and professional careers.

Built on dedication, integrity, and continuous improvement, KIST takes pride in nurturing capable and responsible individuals.

We warmly invite you to join the KIST family and be part of a legacy of excellence and opportunity.

Looking forward to welcoming you as KISTians!

Best regards

Ambir Thapa

KIST Scholarships

Supporting Your Education

The College offers over 250 useful & varied scholarships annually. Life-changers, these scholarships help to spot and sponsor academic excellence alongside other exceptional personal performance: They make studying here a great idea! Undoubtedly, a KIST Scholarship will give you a distinct advantage in your educational & professional life.

Commitment to Excellence

A. Merit Scholarships

1. Based on SEE GPA & Entrance Test Score

Type	Cumulative Marks	Scholarships (Science)				Scholarships (Management)			
		Admission fee (%)	Tuition fee (%)	Annual fee (%)	Seats	Admission fee (%)	Tuition fee (%)	Annual fee (%)	Seats
Merit I	80+	100	100	100	15	100	100	40	10
Merit II	75–79	100	80	75	15	100	80	40	10
Merit III	70–74	100	60	50	15	100	60	30	10
Merit IV	65–69	100	50	25	15	100	50	20	10
Merit V	60–64	100	40	25	15	100	40	10	10
Merit VI	55–59	50	30	25	15	50	30	10	10
Merit VII	50–54	50	20	25	15	50	20	10	10

Cumulative marks = SEE GPA (40%) + KIST Entrance Test Score (60%)

The marks calculation for the corresponding SEE GPA is provided below:

GPA	4	3.95	3.9	3.85	3.8	3.75	3.7	3.6+	3.4+	3.2+	2.8+	2.6+
Marks	40	39	38	37	36	35	34	32	30	28	26	24

Note: The scholarship award is subject to seat availability on a first-come, first-served basis.

2. Based on Term Results

Type	Particulars	Science	Management
2.1	Merit Award 100% Tuition fee waiver	Min. GPA 3.69	Min. GPA 3.69
2.2	Achievement Award 50% Tuition fee waiver	Min. GPA 3.54	Min. GPA 3.54
2.3	Scholastic Award 25% Tuition fee waiver	Min. GPA 3.39	Min. GPA 3.39

B. Talent & Need-Based Scholarships

Type	Particulars	Seats	Description
1	Science Award	2	For meaningful, original inventiveness
2	Arts Award	2	For well-known or creative presentation
3	Sports Award	2	For noticeable accomplishments or rare abilities
4	Social Equity Scholarships 50% Tuition fee waiver	10	To empower the physically, socially, or geographically disadvantaged

C. Community Scholarships

Students can apply for community scholarships according to Kathmandu Metropolitan City provisions & guidelines. The Scholarship Notice will be published immediately after SEE results on the official website.

KIST's central location helps you save time, energy, and money while commuting, and its serene & clean campus makes it an ideal place for studies.

Commitment to Excellence

Infrastructure & Campus

Safe Environment & Central Location

The KIST Tour!

College Buildings

KIST has its own purposeful spacious academic buildings with ample amenities. The building has enough space for wide-ranging activities and sizeable classrooms for flexible and comfortable learning environments for students.

The Premises

The college grounds are spacious and contain sports facilities like basketball, badminton, cricket, and table tennis. The campus is clean, open, and fresh, enhanced by pleasing flowers and greenery.

Safe Environment

The setting of KIST is secure, peaceful and supportive in every way. Our environment is most conducive to all activities concerning the academic accomplishment and overall development of our students.

Ideal Location

Located in a serene, green area in central Kathmandu, KIST's campus is easily accessible. This convenient location saves students time, money, and energy on shorter commutes to classes and sports activities.

High-Quality Education

Pursuing Academic Excellence

Excellent Faculty

Our dedicated, experienced faculty delivers excellent teaching-learning, supervises academic performance, and guides accordingly.

Effective Methodology

We integrate technology and multiple learning to help students understand and remember better as they acquire critical thinking skills.

Systematic Assignments

Students are given regular homework and vacation assignments co-related to methodical class work.

Continuous Assessment

Academic life here is driven by regular class, Term, and Pre-Board tests and examinations enhancing competitive success.

Ample Practicals

The College arranges sufficient practicals under expert supervision to meet syllabi standards and students' hands-on learning needs.

Focused Practice

Abundant preparatory work for Board examinations is organized by the College so that students do well invariably.

Parental Participation

Meetings or consultations foster student education & success via ideational harmony and behavioral consistency.

Positive Discipline

Our Code of Conduct instills positive discipline in our students building up a keen sense of task completion and time management.

Learn Deeper

Utilizing Study Opportunities

Intensive Tutorials

Our intensive tutorial system truly improves student academic performance through individual attention and precise guidance.

Regular Tutorials: Customized instruction with systematic inputs as an integral part of our teaching plan

Additional Tutorials: Supplementary lessons based on need or request on Saturdays, week days, and even during vacations

Preparation Courses

Our synergistic teaching-learning & medical, engineering, IT & management entrance prep classes are imperative for competitive success.

Competitive Preparation: Yearlong grounding for doing well in key entrance tests apart from regular Board exams

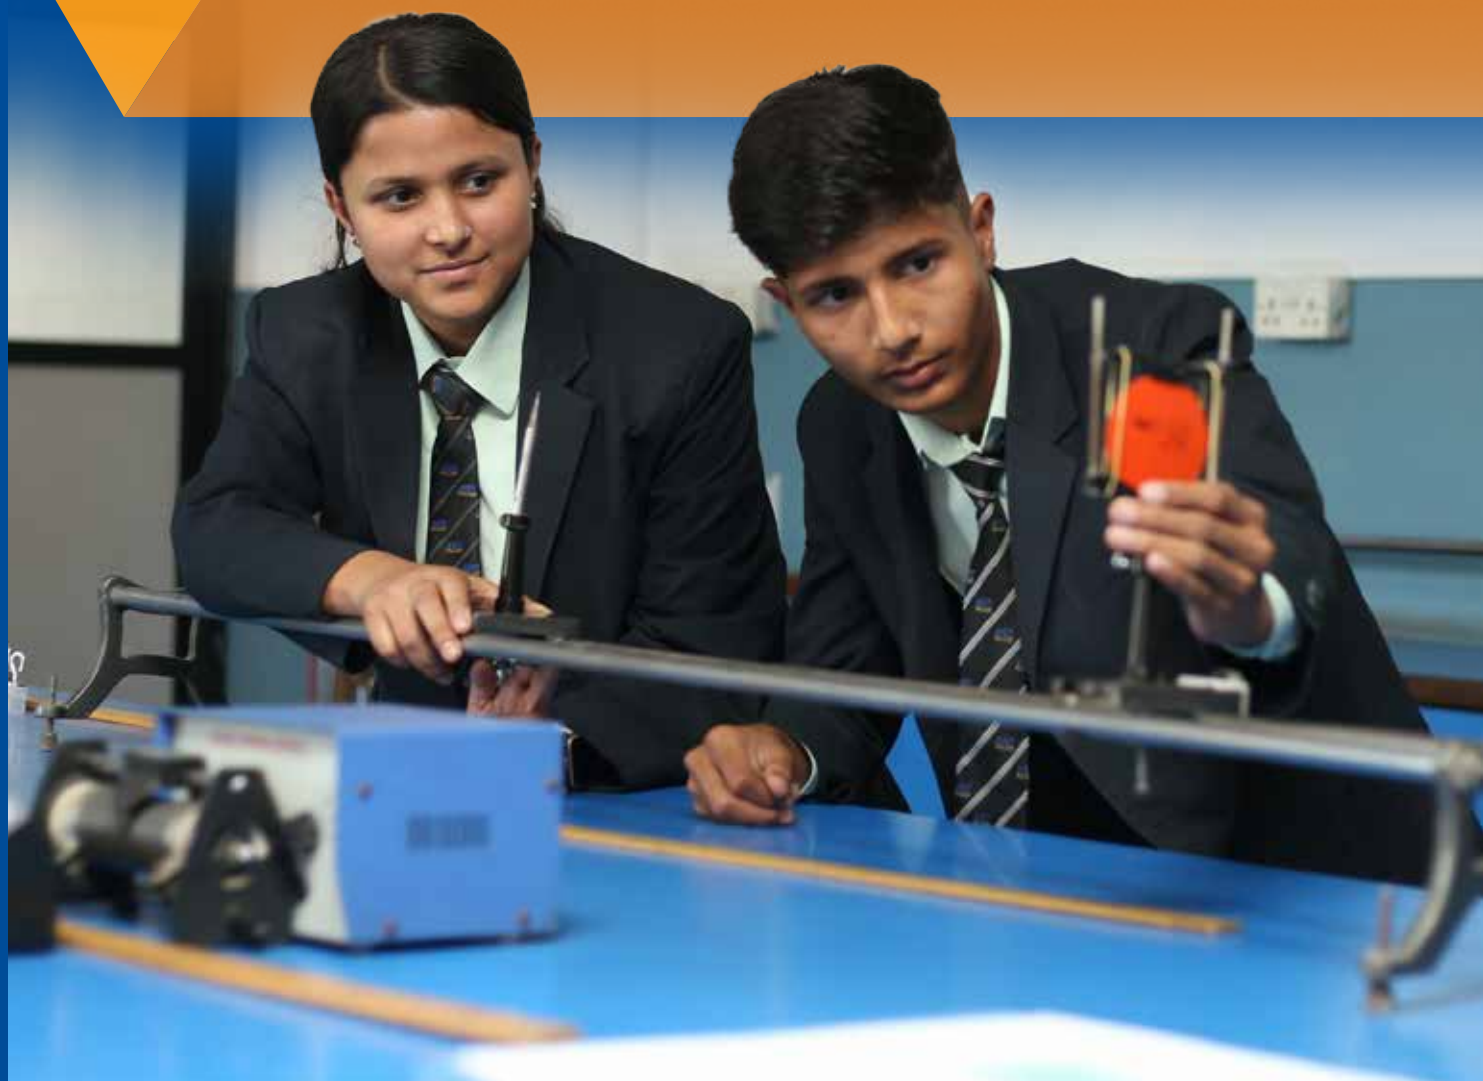

Refresher Classes: Quick penetrating, well-planned subject-wise reviews for solid Board exam tutoring

Complete Counseling

We concentrate on academics especially subject-wise performance & study skills, future studies, career plans, personal or social needs.

Academic & Personal: Acquisition of study skills and suitable habits for time management and eradication of weaknesses

Higher Studies & Careers: Advice & assistance in institutional search & placement-cum-scholarship applications

Cutting-Edge Facilities

Benefitting from Resources

Library

There's a large updated collection of textbooks, reference or general reading books, and e-gadgets/e-library.

Laboratories

Our well-equipped, commodious, modern laboratories have varied materials for Physics, Chemistry, Biology, and Computer Science.

ICT Centre

We have a digitally networked working environment with continuous Internet connectivity alongside state-of-the-art computer labs.

Extracurricular Activities

ECAs, a vibrant side of campus life, make KIST students fit in body, mind, and spirit to take on the challenges of modern life.

Co-Curricular Activities

They enrich students' lives by developing their personalities and academic profiles.

Transportation

Our transportation services, to and fro the College within Kathmandu valley, are dependable, punctual, and comfortable.

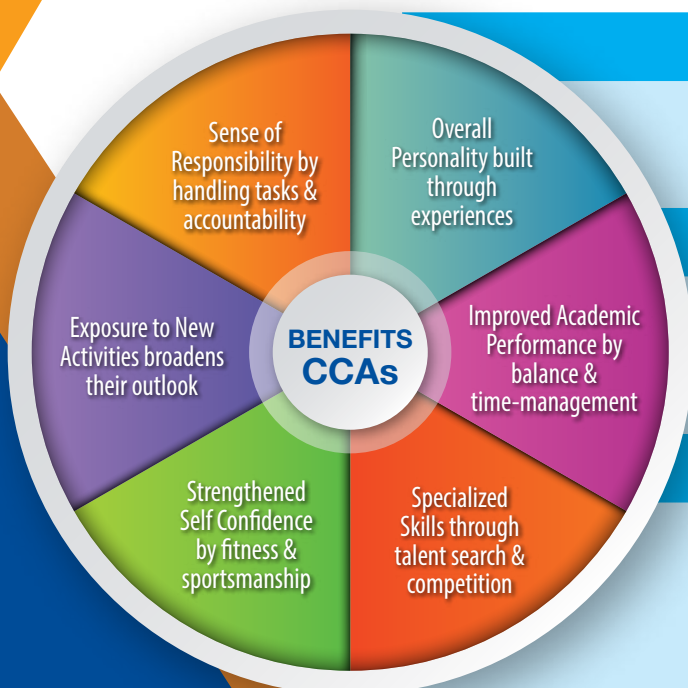

Be Involved *Life Beyond the Classroom*

Co-Curricular Activities

Co-curricular activities for you here are a required, and dynamic, bridge between your academic accomplishment and extracurricular activities. They boost social interaction, leadership, healthy recreation, self-confidence & self-discipline. The intellectuality, personality, and academic worth of a scholar are shaped by them.

CCAs here certainly enrich students' lives by opening their minds, and developing their personalities and academic profiles through productive engagement and a balanced approach to their lives. The College has varied co-curricular activities that galvanize our youngsters to do even better and stay ahead.

Seminars & Workshops

The College organizes frequent seminars and workshops to inform students about higher education and related careers.

Publications

We regularly publish magazines and newsletters containing thought-provoking articles by experts that help to professionalize our students and foster managerial skills.

Contests & Fairs

KIST organizes numerous contests to stimulate intellectual or artistic pursuits which include science, IT & management exhibition, art & craft shows, debates, elocution, quiz contests, and recitation.

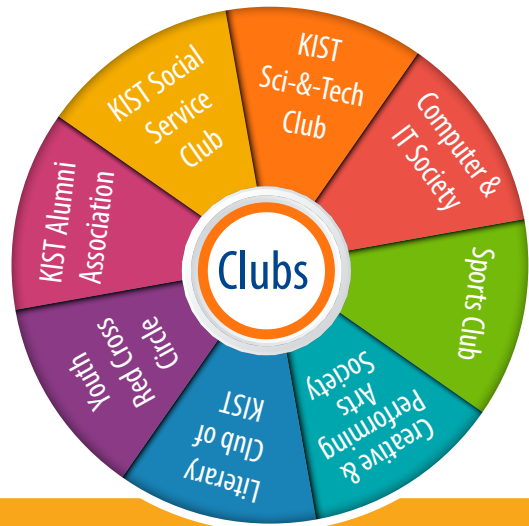

Extracurricular Activities

We believe ECAs play a rather meaningful role in a student's education and life. Curricular activities - mere studies - remain incomplete without vital extracurricular inputs since they help in the all-round development of students.

KIST's extracurricular activities are indeed a vibrant side of its campus life making its students fit in body, mind, and spirit. Different kinds of ECAs are conducted throughout the year at KIST so that the students can tap and display their talents.

Clubs

KIST clubs delight and energize our hard working students and provide them a full college experience through healthy psychological outlets.

Social Service

KIST motivates its youngsters to serve society in as many ways as they possibly can.

Games & Sports

We emphasize this aspect of college life as it builds a competitive spirit & positively impacts students' overall development.

Project Works

Empowering Innovation

Project work is a vital part of student learning at KIST, fostering self-directed learning in theoretical and practical areas. These hands-on projects provide practical insights, bridging theory with real-world scenarios. Fascinatingly, campus life at KIST throughout the academic session is a flurry of extremely gainful project activities. Such goings-on sustain student learning through persistent involvement in study, creation, and discovery.

Realize Your Potential

Get Top Results

An education at KIST will certainly help you reach your full academic potential and get top results.

Student satisfaction and awareness is our key to notable academic accomplishment. All the academic focus at the College contributes to solid and continuous scholastic output. Our youngsters realize that tomorrow's real wealth is knowledge reinforced by academic accomplishment today.

It is a well-known fact that the academic results of KIST students in Board Examinations are among the best anywhere. Happily, there is a clear rise in our levels of attainment.

We have strong reasons to believe that this unstoppable trend of academic achievement shall not only continue but also improve!

Studying at KIST was a transformative journey. Coming from outside the valley, I was initially overwhelmed, but the supportive faculty and the disciplined yet welcoming environment helped me gain confidence and clarity. I'm thankful for the strong foundation that led to my IOE scholarship. KIST is ideal for science enthusiasts.

Aakrit Baral

3.95 GPA
(Second Topper NEB)

My one year at KIST College has been truly eye-opening. The peaceful, supportive environment, where teachers genuinely care about students, motivates me to work harder. I have grown academically and personally, learning discipline, resilience, and confidence. KIST College has played an important role in shaping my character and building a strong foundation for my future.

Swikriti Dhakal
Grade XI Science

Being a student at KIST College fills me with pride. It is more than just a learning institution — it nurtures academic and personal growth. Teachers are supportive, guiding us toward our future. The friendly, motivating environment develops creativity, confidence, and responsibility. The knowledge and values I gain here will help me succeed in life.

Karuna Khadka
Grade XI Science

Joining KIST for my +2 Management is the best decision. The guidance and support from teachers are beneficial for students' holistic development. KIST not only focuses on education but also develops confidence through extracurricular and cocurricular activities. It feels like a home, paving the way for well-being and critical thinking skills.

Sanskriti Thapa
Grade XII Management

My one year at KIST was a mix of studies, stress, fun, and memories. Initially nervous, I gradually settled in and KIST became a second home. Supportive teachers, great friends, and a motivating environment helped me grow. Exams taught me focus and responsibility. As I enter Grade 12, this year has truly changed me.

Aarav Aryal
Grade XI Science, 4 GPA in SEE

My one year at KIST College has been rewarding and memorable. Supportive teachers explain concepts clearly, helping me grasp subjects better. I gained not only academic knowledge but also discipline, time management, and confidence. Participating in activities improved my communication and teamwork. Entering Grade 12, I feel more confident and ready to face new challenges.

Alex Justin Khatri
Grade XI Science

KIST is well-regarded in Kathmandu for strong academics and practical learning opportunities. The teachers are friendly and help students do well, creating a supportive environment. KIST encourages extracurricular activities, helping develop leadership, communication, and teamwork skills, and preparing students for future challenges.

Indeed, we are an institution committed to excellence since our very establishment. Our experienced, energetic, and hardworking specially-selected faculty members have created, literally, out of raw students, successful, indispensable human resources in the vital fields of medicine, engineering, and biotechnology. It's with these goals in mind that we all at this esteemed institution hope to ignite young minds and shape fine futures. In today's result-conscious, demanding globalized world, we assure all of you that we shall carry on our glorious legacy of doing better and better every day for the betterment of the wonderful KIST family.

Tribendra Timsina
Coordinator, +2 Science

KIST firmly believes quality is never an accident... It's because of intelligent, combined effort in the right direction: We integrate student talent through myriad opportunities in academic, co-curricular, and extracurricular activities. This enables them to challenge themselves, celebrate their creativity, and innovate through daily interaction. We empower students to become productive, compassionate members of an ever-changing global society. So our students aim to be good in every way. We emphasize the lasting value of sharing and understanding for the pursuit of holistic excellence. That's why parents have great faith in us. This is our driving force!

Basanta Blown
Coordinator, +2 Management

Dear Students

We're delighted to welcome you to KIST - the nation's premier student-centred college! Our College has an excellent environment fostering academic accomplishment. Our well-regarded institution offers wonderful opportunities for personal development & future success. We keenly support your career & life goals. Choosing where to study post-SEE is a challenging task unless you find the right institution. KIST is ideal for your +2s.
